SUBJECTS.

A

Abdominal Pain, Henry Jackson, M.D., 1.
Acidosis: a summary of recent knowledge, James L. Whitney, M.D., 225.
Adenoids in children, some conditions leading to incorrect diagnosis of, Virginius Dabney, M.D., F.A.C.S., 875.
Alcohol Question, the duty of the health departments in the, Haven Emerson, M.D., 77.
Alopoecia Areata, ringworm of the scalp and, appearing simultaneously in the same location, John E. Lane, M.D., 65.
Alopecia, report of a case of congenital, J. Harper Blaisdell, M.D., and A. R. Cunningham, M.D., 210.
Ambulatory Accident Case, the care of the, H. G. Stetson, M.D., 447.
Amebic Abscess, a case of, of the liver in a guardsman recently returned from the Mexican border, Lester Adams, M.D., 808.
Amebic Dermography, the correlation between the systolic blood pressure and reflex vasoconstriction of the skin, Edward A. Tracy, M.D., 15.
Anaphylactic Preparation of vegetable proteins for tests, R. P. Wodehouse and J. M. D. Olmsted, 467.
Anesthesia, a method of, for soldiers, 778; Obstetric advances, including, the use and abuse of pituitrin, extra-peritoneal Caesarean section, pubiotomy and the significance of funnel pelvis, John Osborn Polak, M.D., 85; Paravertebral, Frank C. W. Konrad, M.D., 351; Shockless surgery, paravertebral, with scopolamine and narcophine: a preliminary report, A. R. Kimpton, M.D., 248.
Annual Discourse, the—military medicine: a means to perpetuate its teaching in Massachusetts, P. E. Truesdale, M.D., 825.
Appendicitis, Torr Wagner Harmer, M.D., 165.
Army Medical Corps, enlargement of the, 27; examinations, 328.
Arteriosclerosis, with special reference to diet, Louis Faugeres Bishop, A.M., M.D., 721.
Arthrotomy, the application of the median patella incision for a knee, E. G. Brackett, M.D., 153.
Aspermin, a case of, Seelye W. Little, M.D., 355.

B

Barany's Sign, a note on, in epileptics and in school children, Edward A. Tracy, M.D., 877.
Bladder, a method of supporting the, in certain cases of cystocele, Herbert L. Smith, M.D., 591.
Blind, treatment of some of the postural defects and habit motions common among the, Miss Lenna D. Swinerton, 803.
Blodgett, Albert George, M.D., obituary, 330.
Blood, the correlation between the systolic pressure and reflex vasoconstriction of the skin (anemic dermography), Edward A. Tracy, M.D., 15; An improved transfusion tube, William Reid Morrison, M.D., 468.
Bone Wiring Instruments, demonstration of, John Duff, Jr., M.D., 636.
Book Reviews. Diseases of the digestive tract and their treatment, A. Everett Austin, 643; Encyclopedia Medica, J. W. Ballantyne, 542; Personal health, William Brady, 24; A text-book of human physiology, Albert P. Brubaker, 813; A manual of therapeutic exercise and massage, C. Hermann Bucholz, 325; A layman s handbook of medicine, Richard C. Cabot, 323; The proceedings of the Charaka Club, 710; The practice of urology, Charles H. Chetwood, 211; Pye's surgical handicraft, W. H. Clayton-Greene, 878; The medical clinics of Chicago, 470; Obstetrics. Edward Bradford Cragin, 279; Gynecology for students and practitioners, Thomas Watts Eden and Cuthbert Lockyer, 743; Diagnosis and treatment of surgical diseases of the spinal cord and its membranes, Charles A. Elsberg, 66; Bone and joint studies, Leonard W. Ely and John Francis Cowan, 279; Blood pressure, Francis Ashley Faught, 325; Constipation, obstipation and intestinal stasis (auto-intoxication), Samuel G. Gant, 324; Public health nursing, Mary Sewall Gardner, 470; Diseases of children, Edwin E. Graham, 102; Handicrafts for the handicapped, Herbert J. Hall and Mertice M. C. Buck, 674; The essentials of chemical physiology, W. D. Halliburton, 66; Progressive medicine, Hobart Amory Hare and Leighton F. Appleman, 250; American public health protection, Henry Bixby Hemenway, 139; Latin for pharmacists, George Howe and John G. Beard, 25; The diseases of infancy and childhood, L. Emmett Holt and John Howland, 674; The treatment of diabetes mellitus, Elliott P. Joslin, 577; Operative midwifery, J. M. Munro Kerr, 325; After-treatment of operations, P. Lockhart-Mummery, 902; Physiological chemistry, Albert P. Mathews, 25; The medical record visiting list or physicians' diary for 1917, 25; State medicine (health insurance), Charles E. Mongan, Frank E. Bateman and George A. Miles, 438; Care of patients undergoing gynecolgic and abdominal procedures, before, during and after operation, E. E. Montgomery, 507; The clinics of John B. Murphy, M.D., at Mercy Hospital, Chicago, 102; Geriatrics, the diseases of old age and their treatment, L. L. Nascher, 324; The Harvard Medical School and its clinical opportunities, Leroy E. Parkins, 211; Military surgery, Dunlap Pearce Penhallow, 643; A manual of otology, Charles Edwin Perkins, 878; Preventive medicine and hygiene, Milton J. Rosenau, 324; Diseases of the eye, George E. de Schweinitz, 102; Vaccine therapy in general practice, G. H. Sherman, 25; The clinics of John B. Murphy, M.D., at Mercy Hospital, Chicago, P. G. Skillern, Jr., 323; Laboratory guide in pharmacology, T. Sollmann, 878; Text-book of fractures and dislocations, with special reference to their pathology, diagnosis and treatment, Kellogg Speed, 776; A reference handbook of the medical sciences, Thomas Lathrop Stedman, 507; Stedman's medical dictionary, Thomas Lathrop Stedman, 25; Diseases of the skin, Henry Stelwagon, 403; Syphilis, Lloyd Thompson, 403; Modern methods of treating fractures, E. W. H. Groves, 902; The breast, John B. Deaver, 903.
Boylan Memorial Hospital, 290.
Brown, Francis Henry, 814.
Buck, Charles Edward, M.D., obituary, 791.
Buckingham, Edward Marshall, M.D., obituary, 177; Memorial resolutions for, 218; by George W. Gay, M.D., 761.
Bubonic Plague in Boston, 177.

C

Cancer occurring in acid parts of the body, A. L. Benedict, A.M., M.D., 172; Renewed activity in the cancer campaign, 509; Personal experience with carcinoma of the cervix, Lincoln Davis, M.D., 660.
Carbon Monoxide, chronic, inhalation and some of its untoward results, William J. McGurn, M.D., 231.
Carpal Bones, results of treatments for fractures of, Herman W. Marshall, M.D., 333.
Case Report, a, Allen H. Blake, M.D., 356.
Censors' Examination, 646.
Central Nervous System, systemic oidiomycosis: with manifestations in, Frederic J. Farnell, M.D., and Samuel Starr, M.D., 771.
Cesarean Section, vaginal delivery after, Nathaniel R. Mason, M.D., F.A.C.S., 127.

Charlatan, shiftling and vagabond: who they are and how they arise, J. Victor Haberman, A.B., M.D., D.M.S., 757.
Colectomy, right, with special reference to the end results of a series of twelve cases, Peer P. Johnson, M.D., F.A.C.S., 266.
Communicable Diseases, resume of: Massachusetts State Department of Health, 218.
Comparative Statistics on physical examinations of pupils of Boston public schools from December 1, 1915, to April 1, 1917, William H. Devine, M.D., 773.
Condyle, fractures of the external, of the humerus in childhood, with rotation of the condylar fragment, James S. Stone, M.D., F.A.C.S., 151.
Conservative Surgery, the advantages of, in operations for diverticulitis of the descending and pelvic colon, John W. Keefe, M.D., LL.D., F.A.C.S., 271.
Cord, tumors of the spine and, William Jason Mixter, MD., 452.
Correspondence. Haverhill physicians' War Service Association, Francis W. Anthony, M.D., 824; The Young bill, Frank E. Bateman, M.D., 446; Medical Officers' Reserve Corps, J. B. Blake, 685; The therapeutic value of radium, J. Harper Blaisdell, M.D., 146; Failure to report ophthalmia neonatorum, Walter P. Bowers, M.D., 109; Registration of physicians, Walter P. Bowers, 650; An unusual case, A. V. Bowker, M.D., 75; The Benedict test, F. Gorham Brigham, 858; Amendment to the Workingmen's Compensation Act, Arthur N. Broughton, M.D., 650; Epilepsy and elimination, George Clymer, M.D., 370; Proposed amendments to nurses' registration law, Charles H. Cook, M.D., 331; Sound advice from a former generation, Astley Cooper, 41; The answer to the medical problem in health insurance, Frederic J. Cotton, M.D., 330; An anecdote of Mead and Radcliffe, William Pearce Coues, M.D., 517; Industrial health insurance: an appreciation, B. P. Croft, 369; Compulsory health insurance, Clarence F. Desmond, 411; Industrial health insurance: a protest, W. A. Dolan, M.D., 291; Industrial Accident Board ruling, Frank J. Donahue, 76; Toxic jaundice among munition workers, Francis D. Donoghue, M.D., 684; Letter from chairman of Massachusetts Health Insurance Committee to President of the Massachusetts Medical Society, David L. Edsall, 551; "Sister" meaning "nurse," Alfred Ela, 477; Committee on Accuracy of Certified Causes of Death, H. Emerson, M.D., 516; Is there a hyphen in the name of Dr. Argyll Robertson?, John W. Farlow, M.D., 147; Industrial health insurance, Thomas F. Gunning, M.D., 40; The Blossom Street Health Unit, Ellen Hale, 147; Industrial health insurance, William W. Harvey, M.D., 39; Re-examination of tuberculates, John B. Hawes, 2d, 585; The Young bill, John J. Hurley, M.D., 257; Pennsylvania conference of physicians, John Price Jackson, 224; A ruling of the State Board of Registration, Charles Malone, M.D., 75; Thermometer disinfection, Leon S. Medalia, 685; Medical preparedness, Robert E. Noble, 411; A case of cyclocephalus, Gaetano Praino, M.D., 332; Infantile paralysis in 1917, Richard B. Rand, M.D., 552; Ammonium salicylate in poliomyelitis, Beverley Robinson, M.D., 75; National Board of Medical Examiners, J. S. Rodman, M.D., 477; Industrial health insurance, I. M. Rubinow, M.D., 257; Industrial health insurance: a rejoinder, I. M. Rubinow, 369; The treatment of stammering, Ernest Tompkins, 651; Industrial health insurance, Charles L. Upton, M.D., 40; London war hospitals, Henry Viets, 222; Industrial health insurance: a rejoinder, George E. Whitehill, M.D., 292; Workingmen's insurance in Germany, G. E. Whitehill, M.D., 258; The Young bill: a second rejoinder, George E. Whitehill, M.D., 476; The treatment of impacted hip fractures, Royal Whitman, M.D. 219; A further exposition of the abduction treatment of fracture of the neck of the femur, Royal Whitman, 751; The anti-vaccination campaign, Samuel B. Woodward, M.D., 186.
Council of National Defense, 618; Information regarding the correlated activities of the Council of National Defense and the Advisory Commission, the Medical Departments of Government and the Committee of American Physicians for Medical Preparedness, 582.
Cranial Measurements of persons dying in insane hospitals, Lawson G. Lowrey, 899.
Cutaneous Epithelioma and keratosis senilis, the use of radium in the treatment of, Frederick S. Burns, M.D., and J. Harper Blaisdell, M.D., 774.
Cutter, Ephraim, M.D., obituary, 684.
Cutter Lectures, the, 476.
Cystocele, a method of supporting the bladder in certain cases of, Herbert L. Smith, M.D., 591.

D

Death Certificates, occupations to be entered on, 677.
